

ADVERTISEMENT TO BID

Sealed bids addressed to the Board of Directors, Otay Water District (District), will be received for the **SWEETWATER RIVER TRESTLE IMPROVEMENTS (CIP R2109)** at the office of the District, 2554 Sweetwater Springs Boulevard, Spring Valley, California 91978-2004, until **4:00 PM local time, on June 18, 2015**, and at that time bids will be publicly opened and read.

The general scope of work to the 200-foot long wooden trestle bridge over Sweetwater River includes construction of:

Install corrugated fire shield sheets along the bottom of the existing bridge beams; upgrades to the handrail system; replacement of select bridge deck planks; replace missing or damaged metal hardware; tightening of bridge hardware; minor site grading; maintenance and restoration of trestle security measures; and all other appurtenant and associated Work in accordance with the Contract Documents.

A Pre-Bid Meeting will be held at 10:00 AM on June 2, 2015 at the Otay Water District, followed immediately by a visit to the project site. Prospective bidders, contractors, and subcontractors are highly encouraged, but not required, to attend the Pre-Bid Meeting. High clearance and four wheel drive vehicles are recommended for the site visit. The engineer's estimate is \$206,000.

The District is using Mayer Reprographics (Mayer) for distribution of Contract Documents, including plans and specifications. Electronic copies may be downloaded without fee through <http://www.mayer.com>. Hard copies may be obtained for a fee through any Mayer office or by calling Mayer at (619) 295-4112. The amount paid for hard copies is not refundable. Technical questions regarding the Contract Documents should be referred to the District's Project Manager, Stephen Beppler, at (619) 670-2209.

Dated this 18th day of May, 2015.
