FOR
AS-NEEDED CONSTRUCTION MANAGEMENT
AND INSPECTION SERVICES**

Otay Water District (District) has several Capital Improvement Program (CIP) projects in final design that will begin construction for a period of two Fiscal Years (FY 2016 - FY 2017). Due to the District's workload, the District may require additional staff to assist with construction management and inspection of these projects. The projects include, but are not limited to, sanitary sewer pipelines, potable water pipelines, recycled water pipelines, pump station upgrades, interconnections, and reservoir coating projects.

This contract has a \$350,000 not-to-exceed budget for as-needed professional services. The duration is anticipated to be for Fiscal Years 2016 through 2017. The contractual end date will be June 30, 2017.

Interested candidates are required to send a Letter of Interest (LOI) and a Statement of Qualifications (SOQ) to **Dan Martin, P.E., Engineering Manager, Otay Water District, 2554 Sweetwater Springs Boulevard, Spring Valley, California 91978-2004 or e-mail dan.martin@otaywater.gov**. If a firm has submitted a SOQ to the District within the calendar year and the qualifications remain current and accurate, then only a LOI is required.

Deadline to submit LOI and SOQ will be 4:00 PM (Pacific Time), Tuesday, February 10, 2015.

All questions should be referred to **Dan Martin, P.E., Engineering Manager, at (619) 670-2243.**

Dated this 27th day of January, 2015.

Rod Posada, PE, PLS, CCM
Chief of Engineering
OTAY WATER DISTRICT
