01

Account Information

Account Number: Refer to your account number when you inquire about your account. Write it on your check if paying by mail.

Due Date: This is the date your payment is due. Payment made after this date may be subject to a 5% late charge.

Total Current Charges: The current month's bill only and gives the due date for the current month's bill.

Previous Balance: Any amounts that are past due will appear in this section and give additional due dates, as applicable.

Total Due: All charges that are currently owed on the customer's account.

02

Billing Details

Breakdown of service dates and monthly fees.

See back of bill for explanation of charges.

03

Meter Information

Current Reading: Reading taken from the meter.

Your Monthly Usage: The number indicates the amount of water used during the billing period. This figure is in 100 cubic feet (HCF). One HCF equals 748 gallons.

04

Detachable Portion

Please include this with your payment in the envelope provided.
